

Starting from Scratch: Organizing and Evaluating Your E-Journal Collection

Jenny Emanuel
University of Central Missouri

Where to Start

- Necessity of OpenURL
 - New tool for users
 - Easy web interface
- MARC Records—lots of problems
 - Keeping data accurate
 - Full time job

Uncovering What you Pay For

- Communication is key!
 - Vendors & Publishers
 - Acquisitions
 - Bibliographers
- Keeping organized
 - Resource Information
 - Licensing
 - Statistics

Vendors & Publishers

- Get on mailing lists—most do not have much traffic
- Your information is online contact information
- See what is free with Print
- Get to know your journal vendor representative
- Develop Process for journal ordering that includes you

Subscription Information for Institutions

We offer a range of purchasing options for online journals designed to meet the needs of libraries and library consortia. Access to these options is at the Premium level outlined below. For further information about these options, please visit our [Librarian Site](#).

Following is a summary of the 3-tiered pricing structure for individual journal titles. Please see our [Price List](#) for details of some exceptions to this pricing model.

1) Premium Subscription - print with extended online access

PREMIUM access includes all of the advantages of the [Blackwell Publishing Site License](#) and is available via *Blackwell Synergy*.

PREMIUM access includes:

- Access to PDF and HTML full-text articles from current content and all online back files to January 1st 1997;
- Perpetual archival rights to paid-for content, where Blackwell has the rights to deliver this;
- Access to OnlineEarly articles where available, ie. peer-reviewed articles published online before the print issue is completed;
- IP and/or remote user access authentication;
- Free electronic course pack use;
- Inter-library loan (printed from electronic copy);
- Walk-in users.

2) Standard Subscription - print with standard online access

All institutions subscribing to Blackwell Publishing print journals are now entitled to STANDARD access to the online version through *Blackwell Synergy*. Standard subscriptions are priced at approximately 90% of the Premium subscription price.

STANDARD access includes:

- Access to PDF and HTML full-text articles from the current volume and two previous year's volumes;
- IP and/or remote user access authentication;
- Customers wishing to activate this access must contact us directly at customerservices@blackwellpublishing.com and provide the following information:
 - Your name and email address
 - Your institution's name and addresses of all the main sites covered by your library
 - List of the Blackwell journals you have a subscription to and you want access set up for

We will then send you activation instructions for accessing via *Blackwell Synergy*.

3) Online Only Subscription

The majority of Blackwell Publishing journals that have an online version available can be bought at the discounted fee of approximately 85% of the Premium subscription price. Access is at the PREMIUM level through *Blackwell Synergy*. Institutions subscribing to Blackwell Publishing online only journals must sign the [Blackwell Publishing Site License](#).

2) Standard Subscription - print with standard online access

All institutions subscribing to Blackwell Publishing print journals are now entitled to STANDARD access to the online version through *Blackwell Synergy*. Standard subscriptions are priced at approximately 90% of the Premium subscription price.

STANDARD access includes:

- Access to PDF and HTML full-text articles from the current volume and two previous year's volumes;
- IP and/or remote user access authentication;
- Customers wishing to activate this access must contact us directly at customerservices@blackwellpublishing.com and provide the following information:
 - Your name and email address
 - Your institution's name and addresses of all the main sites covered by your library
 - List of the Blackwell journals you have a subscription to and you want access set up for

We will then send you activation instructions for accessing via *Blackwell Synergy*.
